

VIVID audio

# GIYA G2

SERIES 2

Containing all the  
qualities of its larger  
sibling in a cabinet  
of half the volume.

## GIYA G2

Full, lively and unfatiguing sound

In the constant pursuit of perfection, the G2 represents everything we know demonstrated in a moderately-sized, full-range loudspeaker. At 80% of the height of the G1 and half the volume of the bigger speaker, it's more comfortable dimensions makes it perfectly suitable for filling medium to large rooms with full, lively and unfatiguing sound.
